2. All athletes shall follow Section XI Code of Conduct and respect coaches, facilities, officials and opponents.
3. Athletes found to have broken training rules or have been involved with actions that have a negative effect on the individual or team will be suspended from the team and referred to the Building Principal and Athletic Director.
4. Athletes are required to attend practices daily. Athletes with an unexcused absence on contest day, or the day before a contest will not participate in the contest. The coach can suspend athletes missing more than one contest. If an extenuating circumstance exists, a note from parent/ guardian must be presented to the coach prior to practice/contest for review/approval (in conjunction with A.D./Principal)

6. Extenuating circumstances regarding someone picking up your student athlete beside the parent/guardian on record must be presented to coach, in writing, at least 24 hours prior to event and signed by parent/guardian, building principal, and the Athletic Director.
7. Athletes are responsible for all uniforms and equipment issued to them. Items that are not returned will be charged back to the family of the student. Report cards/diplomas may not be issued until restitution is made.
8. Student athletes must be in attendance no later than the beginning of period 4 in order to be eligible to participate in a practice, scrimmage or contest on that day. Extenuating circumstances must be presented to the coach and Athletic Director in writing and signed by parent/guardian.
9. All athletes will adhere to Riverhead's Co-Curricular Eligibility criteria. In summary, one failure = warning, two failures = probation, three failures = ineligible for current marking period.

I have read and fully understand this document. I give my permission for my student athlete to participate and we will abide by the rules and regulations outlined above.
